Available Exam Cram and Valid Dumps - Lead2Pass Exam

Exam : **HP2-B101**

Title : HP Imaging and Printing
Technical Fundamentals -
Exam

Vendor : HP

Version : DEMO

NO.1 Which features provide Job Retention to a printer driver in combination with the hard drive?

- A. Stored Job, Private Job, Delete Job
- B. Proof and Hold, Quick Copy, Stored Job, Personal Job
- C. Quick Copy, Rip Once, Proof and Hold, Canceled Jobs
- D. Quick Copy, Transmit Once, Proof and Hold, Zipped Compression

Answer: A

NO.2 How do you print a job using the Stored Job option?

- A. use the driver selection for printing stored jobs
- B. use HP Web Jetadmin
- C. use the user name you selected on the control panel to view the Stored Job option
- D. use the print driver's control panel to select the stored job for printing

Answer: A

NO.3 What are advantages of the RIP Once technology? (Select two.)

- A. reduces network traffic because it sends the data just once
- B. reduces workload on the system as not every copy must be rendered again
- C. makes it possible to print additional multiple originals at engine speed
- D. renders a digital image to make the original data smaller and faster for printing

Answer: A,D

NO.4 What is the purpose of the Quick Copy feature?

- A. to allow the image to be viewed on the PC prior to printing
- B. to allow the job to be printed on multiple printers simultaneously
- C. to allow the user to verify output prior to printing all copies
- D. to allow additional copies to be made at the printer without resending the print job

Answer: D

NO.5 What happens when you send a print job to the printer's hard disk using the Job Retention feature "Stored Job"?

- A. It prints only one copy and stores the image on the hard disk.
- B. It stacks the job for first-in-first-out printing.
- C. It prints like any other job and stores the image on the hard disk.
- D. It RIPs and stores the print job on the hard disk without printing the job.

Answer: D

NO.6 What happens after a Proof and Hold job is sent to an HP Color LaserJet?

- A. It remains on the hard disk until the printer is switched off.
- B. It remains on the hard disk, even when the printer is switched off.
- C. It remains in the memory of the printer.
- D. It is deleted from the printer.

Answer: C

NO.7 A customer is printing three copies of a five-page document using the Stored Job option

feature of the driver. How many pages will be printed?

- A. 0
- B. 3
- C. 5
- D. 15

Answer: D

NO.8 A user wants to print confidential information and does not want anyone else to see it. Which Job Retention feature should be used to accomplish this?

- A. Personal Job
- B. Quick Copy
- C. Saved Job
- D. Proof and Hold

Answer: A

NO.9 What is an advantage of the Transmit Once technology?

- A. allows quicker copies at the printer without resending the print job
- B. minimizes network traffic by sending data to the printer once
- C. processes faster within the printer by enhancing the processor speed
- D. increases network traffic by sending data to the printer for each copy wanted

Answer: B

NO.10 Which HP technology enhances printer performance and minimizes network traffic?

- A. RIP first/transmit later
- B. send once / RIP once
- C. transmit once / RIP once
- D. transmit once / RIP triple

Answer: C

NO.11 What is the purpose of Proof and Hold?

- A. to allow the user to verify output prior to printing additional copies
- B. to allow additional copies to be made at the printer after entering a PIN number
- C. to allow the job to be permanently stored in the printer for future printing
- D. to allow the image to be viewed on the PC prior to printing

Answer: C

NO.12 Which printer driver language uses HPGL commands while printing a bounding box?

- A. PCL 5
- B. PostScript
- C. PCL 3
- D. PCL 6

Answer: B

NO.13 A small office has three printers on a network that uses TCP/IP only. The office does not have

a need for management of the devices over the network, but would like to have status information available to everyone in the office.

Which HP solution should you recommend?

- A. Embedded Web Server
- B. Internet Printing Protocol
- C. Web Jetadmin
- D. Install Network Printer Wizard

Answer: A
